

RELIGIOUS EXEMPTION INFORMATION CARD

And Civil Rights Card

(<https://www.thehealthyamerican.org/religious-liberty>)

We are born with God-given rights that the Constitution protects. My prayer is that this card will bless all those who use it and read it.

This card can be used in every state in the USA. The religious exemption card is just one side.

Actual size is 4x3 inches, with plastic sleeve and neck lanyard

This card is for informational and educational purposes to inform others that your religious liberty is protected by federal and state law. While we hope and pray this card will smooth your way, unfortunately **we cannot state that it will guarantee your entry** into any business establishment.

Your right to shop mask-free is protected by state and federal civil law (<https://www.justice.gov/crt/title-ii-civil-rights-act-public-accommodations>), which defends your religious freedom. This religious exemption card clearly states the applicable laws, and penalty for violating the laws. **This card is for educational purposes** and may be used to show business associates, but it does not guarantee your entry into any particular business establishment.

Please print out the last two pages (dealing with direct threats and your civil rights) front and back on the same card stock or page. You should be able to print this using the duplex printing capabilities of your printer. Or go to a copy shop and have them do it for you on card stock paper. Their printers can print both sides at once.

RELIGIOUS EXEMPTION

The bearer of this card is **LEGALLY EXEMPT** from wearing any face coverings or being subjected to temperature taking or viral testing, as protected by U.S. Federal Law Title 2 of the Civil Rights Act, §§ 201(a) According to state and federal civil rights law, **this individual has FREE and EQUAL access to all facilities and services in your business establishment, regardless of store policies.**

Refusal of service may place you at risk for being prosecuted to the fullest extent of the law. Your recognition and protection of these religious and civil rights is appreciated.
