

**Curriculum Vitae
Rebecca (Roczen) Carley, MD**

Clinical Researcher in VIDS (Vaccine Induced Diseases), an area of medicine created by the CDC in their publication "Vaccine Information Statements; What You Need to Know", publication # 99-6194 published on May 4, 2000 which discusses, on page 9, "vaccine related illnesses, disabilities, injuries or deaths". Dr Carley has been qualified as an expert witness in VIDS in multiple court proceedings since 2003.

Dr. Carley has not only explained the mechanism by which inoculations corrupt the immune system and cause all auto-immune diseases and cancer in her white paper entitled "Inoculations: the True Weapons of Mass Destruction"; but also has developed the "Hippocrates Protocol", which reverses all autoimmune diseases and cancer using natural therapies based on the above referenced research.

Dr. Carley has developed a course through the "Hippocrates Academy" where interested students can learn and be certified how to do the Hippocrates Protocol developed by Dr. Carley, which reverses all autoimmune diseases and cancer using natural therapies, in people and pets.

Dr. Carley is NOT licensed to practice medicine, and can never be licensed, as to do so would be a conflict of interest since licensure would force Dr. Carley to promote inoculations. Dr. Carley is developing the specialty of VIDS, which IS the umbrella under which the specialties internal medicine, pediatrics and most of psychiatry actually reside.

ADDRESS: PO Box 9241

Hickory, NC 28603

PHONE: 828-294-0662

DATE OF BIRTH: August 15, 1954 Westfield, NY

EDUCATION:

Secondary:

Falconer High School, Falconer, NY.....1966-1972

Undergraduate:

SUNY Health Science Center at Syracuse, NY.....1972-1974

Associate in Applied Science, major in Radiologic Technology

Cum Laude

SUNY Health Science Center at Brooklyn, NY.....1978-1980

Bachelor of Science, major in Diagnostic Ultrasound

Magna Cum Laude

Graduate

SUNY Health Science Center at Brooklyn, NY.....1983-1987

Doctor of Medicine

Awarded *Samuel L Kountz award for clinical excellence in Surgery*

Post Graduate

General Surgery Residency.....1987-1991

SUNY, Health Science Center at Brooklyn, NY

Multiple "Alternative Medicine" Seminars and Courses.....1997-1998
